

BOATING FACTS

Titles

- **Boats that are more than 12 feet long must be titled.**

To obtain a title, visit any motor vehicle agency, and:

Provide the HIN (hull identification number); proof of ownership, such as a certificate of origin (if new) or the former title signed by the previous owner (if used), or a sworn affidavit to attest to the boat's ownership or other acceptable proof required in the boat's previous home state; structural information (year, make, type, length, material, power source, use); and owner information (date of birth, driver license and Social Security number) or a business number (corpcode). Homemade boats or boats without a HIN will be assigned a number by Motor Vehicle Services after inspection by the NJ State Police.

Pay \$20 for a clear title; \$40 if there's one lien. Corrected titles cost \$20; duplicate titles cost \$25.

Title exemptions: ships' lifeboats, canoes or kayaks, inflatables, surfboards, rowing sculls, racing shells, tenders/dinghies used only for transportation between vessel and shore and for no other purpose, and outboard motors.

Registrations

- **Titled boats and motor-powered boats (any length) must also be registered annually. To register, visit any motor vehicle agency, and:**

Provide proof of ownership (see above), your NJ driver license and Social Security number, and

Pay the fee based on this chart.

Operating Requirements

Licenses, certificates and safety

- **Persons 12 years old or younger** may not remain onboard any underway vessel (except short-run ferries and large commercial vessels longer than 65 feet) unless they are properly wearing a U.S. Coast Guard approved personal flotation device.
- **Persons under 13 years** may not operate any power vessel.
- **Persons 13-15 years old** may operate a power vessel of less than 1 HP, a vessel powered by a 12 volt trolling motor, or a vessel 12 feet or longer powered by less than 10 HP if they have successfully completed an approved boating safety course and have a boating safety certificate in their possession. Anyone, of any age, may operate those vessels without a boat license.
- **Persons 16 years old or older** may operate any recreational power vessel.

Persons operating on nontidal waters must also carry a New Jersey boat license. In addition, a person born in 1979 or later and all operators of personal watercraft — less than 16 feet long equipped with an internal combustion engine that powers a water jet pump that can't be disengaged as to prevent the vessel from making headway — must complete an approved boating safety course and carry the certificate whenever operating the vessel. They must present this certificate when they apply for a boat license to operate on nontidal waters.

Violations

- **Penalties for boating law violators include:**

Operating a power boat without completing a boating safety course: minimum \$100, maximum \$500 fine.

Failing to carry or exhibit a license when operating a power boat on nontidal waters: up to \$500 fine and/or up to 60 days imprisonment.

- **Penalties for boating under the influence of drugs or alcohol and/or refusal include:**
